Fort Worth to be Made a Great Market for Texas Raised as Well as Mexican Horses.

Hog Raising Beceiving the Attention of Tarrant County Farmers-Beeves in Fine Condition.

some good sales of cattle and horses its dependencies perhaps more land un- by hundreds of curiosity seekers, and Andrews Brothers & Co. have made lately.

Worth yesterday, which is headquarters, than in any five other cities in the state.

to the Indian Territory.

Charles Goodnight, the Panhandle cattle king, was in from Palo Duro yesterday. His cattle are all doing well, the range excellent and water plentiful. L. H. Carhart, manager of the Claren-

don Land and Cattle Company, was in Fort Worth yesterday, and said that grass in his section was fine and beeves would be ready for market thirty days earlier than usual.

I pushed on from the Little pasture, where I had been most hospitably entering the property of the broken cup of health in an emergency of immediate danger. This may be said of alcohol in general, were it not the fact that many of our tained by Mr. J. M. Doughty, and that whiskies are so sophisticated whiskies are so sophisticated. The pasture, the broken cup of health in an emergency of immediate danger. This may be said of alcohol in general, were it not the fact that many of our whiskies are so sophisticated. The pasture is provided to the pasture, the broken cup of health in an emergency of health in an emergen

If nothing unforeseen occurs the stockmen of Texas will entirely recover from the depression existing for two years past calves and the beeves are doing well all over Western and Northwestern Texas.

There are several fine hog ranches near goat raising. Many of the farmers of Tarrant county are making hog raising a specialty, and from the present outlook it is probable that in a few years Tarrant and adjacent counties will be as famous for hogs as are counties in Illinois and

arrangements to handle not only Mexican brood mares, but Texas horses on a large scale In counties like Comanchie, Parker, Brown, Jack, Denton, Ellis, Hood and Johnson there are hundreds of fine horses, which are superior to many sold in northern horse mar-There has not heretofore been a home market and for that reason cool weather, and it looks as if the win- The Blood Indians in the Northwest but few buyers have come to Texas. The English government is now in the market buying horses, and its agents are expected to pay Fort Worth a visit. There not also sell to the United States government which buys heavily. The days of ponies has passed in Texas, and we have as many well-bred stock as any state as old as Texas. The Waties Company saw the opening, realized the long-felt want, and in making Fort Worth will aid all horse breeders.

Arkansas Stock Breeders.

NEWPORT, ARK , April 27 .- A meeting was held here to-day of the stockmen from the counties of White, Woodruff, Randolph, Independence, Lawrence and Craighead. Articles of organization were signed, and the name of the White River Stock-Breeders' Association adopted, with headquarters at Newport. The drafting of by-laws and constitution was left to a committee composed of L. Minor, J. T. Henderson, Samuel Anthony, W. B. Chastain and J. J. Flahiff. The organization adjourned to meet again May 7 to permanently organize and elect officers.

A Great Event Among Stockmen.

, Kansas City, Mo., April 27 .- The sale | Special to the Gazette of short-horns at Riverview Park tomorrow will be a great event among stockmen. There are forty animals for sale. The herd is one of the finest in the world, and is owned by H. G. Attrill of Ridgewood park, Goderich, Ont. The animals iare from the famous

A number of prominent stockmen from different parts of the country are in the city to attend the sale.

Rebate on Texas Live Stock.

St. Louis, Mo., April 29 .- A local paper says the western allroads do not attempt at concealing their plans regarding the issuing of passes to cattlemen. They contend that while these men are engaged in the transportation of cattle they are as much employes of the road as though their names were on the pay roll, for otherwise substitutes would have to be paid by the road and the expense included in the shipping rates. Eastern roads were months ago, except a light shower two denying their patrons this privilege, with or three days ago, which only settled the the result of driving from the market some dust. Crops need rain badly. Farmers leading buyers who transferred their are hopeful and look forward for rain. orders to Chicago, where they had the benefit of the Grand Trunk cut rate. In self defense, Indianapolis and St. Louis | Special to the Gazette. returned to the pass system a week ago. A shipper and one man for every two cars is allowed transportation east in the caboose and a return ticket by express. The Chicago roads have established a rebate of \$5 per car for all live stock shipped

The Large Fee of a London Physician. Court Journal.

Physicians' fees are sometimes nearly equal to the fees of the leading members of the bar, sometimes they are a little over; for instance, a distinguished physician was offered 500 guineas to pay a visit to a sick person who was residing a fair distance off on the continent The doctor declined; more offers templing him were consecutively made till the bid was £5000. This sum was also declined. But he was shortly after compelled to attend some one else who was residing near this tempting would-be patient, and he took the opportunity of looking in en

The physician was offered £5000 on leaving, but would not consent to receive more than £500. A few days after his return to London he found that £4500 had been placed to his credit at his banker's. This sum he immediately forwarded to a charitable institution, informing the grateful and large paying patient of what he had done, which entirely met with ap-
